

REMARKS

This Response is to the Restriction Requirement dated September 21, 2007. Applicants elect Group I, drawn to a first fuel supply, including claims 1-16, 19 and 20 as indicated by the Examiner. Accordingly, Applicants withdraw the claims encompassing Group II (claims 21-24). The election of Group I is made without traverse. Applicants respectfully reserve the right to file divisional applications to any claims directed to the non-elected Group.

In light of the preceding, Applicants believe that the presently pending elected claims are in condition for allowance, early notice of which would be greatly appreciated. The Examiner is invited to telephone the undersigned attorney of record if he believes that such a call would materially advance the prosecution and eventual allowance of the present application.

It is not believed that any fees are required with submission of this Response. However, if extensions of time are necessary to prevent abandonment of this application, then such extensions of time are hereby petitioned under 37 C.F.R. § 1.136(a), and any fees required therefore are hereby authorized to be charged to The H.T. Than Law Group, Deposit Account No. 50-1980.

Respectfully submitted,

Date: October 22, 2007
